

All-Breed SUPER Health Clinic

Deep River Animal Hospital
171 Winthrop Rd, Deep River, CT 06417
Saturday and Sunday, May 18 and 19, 2024

IMPORTANT NOTICE – PLEASE READ

Reservations with payment must be received by Friday, May 3, 2024.

Please email Mary (mary.mddk@gmail.com) with any questions and/or if your reservation is delayed.

Dr. Marjorie Neaderland, DVM, DACVO, will be testing our dogs' eyes.

Dr. Andrew Waxman, DVM, DACVIM (CARDIOLOGY) will be providing Cardiac Auscultation and Echocardiograms.

Dr. Judy Pawlusiow, DVM, DACVIM (SAIM), will be testing our dogs' hearing (BAER test).

Dr. Christine Scruggs VMD and her staff will be providing X-rays and other tests.

Please remember that this is a clinic, there will be no time for consultation with the Veterinarians.

We are offering:

- **Eye exams (ACVO CAER/CERF)** by Dr. Neaderland, DVM, DACVO.
- **Cardiac Auscultation and/or Echocardiogram** by Dr. Waxman, DVM, DACVIM. **NOTE:** The owner is NOT present in the room during the echocardiogram. If there is something abnormal or there are follow-up questions, a separate appointment with a veterinary cardiologist will be needed.
- **Hearing test (BAER)** by Dr. Judy Pawlusiow DVM, DACVIM (SAIM). Results are OFA and breed certifiable. Dogs for hearing testing need to be clear of ear infection and not receiving ear medications or have ears cleaned prior to testing (no baths either - water can get in ear and interfere with test results).
- **Anesthesia-free X-rays** of hips and elbows for OFA evaluation or preliminary screening. If your dog is unable to be restrained on the day, you will be given a refund of the cost. **Absolutely NO dogs over 80 lbs. for X-rays!** An image of your dog's X-rays will be provided to you by email by Dr. Chris. All X-rays will be submitted to OFA. You will not be informed of the results at the clinic. Forms for the X-rays MUST be filled out in advance; please be sure that you include a copy of your dog's AKC Registration with your Clinic registration form so that we can have paperwork ready for your signature when you arrive. You will need to fill in your credit card number in the appropriate place on the form for payment of the OFA fees (\$45-\$50) before the test.
- **FLEX 4** blood test for heartworm and tick-borne diseases. You will be handed a Test Results Sheet for your dog before you leave so that you may take it to your veterinarian for consultation.

Other tests/services offered will be considerably discounted from your normal veterinary costs. They include:

- Senior Wellness Chemistry (recommended annually for any dog over 7 years old) that includes Superchemistry, CBC, T4, UA (remember to bring urine sample)
- Full Thyroid Panel (MSU - OFA registrable)
- Standalone T4
- Standalone CBC
- Brucella Test
- Patellar Luxation
- "Home Alone" Microchip

You will receive the blood test results (other than the FLEX 4 that you'll get before you leave) when available in an email from Dr. Chris.

If there are any other tests that you would like performed on your dog(s) other than the ones listed, please contact Mary (mary.mddk@gmail.com; 203-209-1346). She will get back to you promptly with availability and pricing. Please read and complete the Registration Form carefully and please be sure to send a check for the correct amount.

Remember to send a copy of your dog's AKC Registration Certificate with your clinic registration form.

Our thanks go to Dr. Chris and the staff of Deep River Animal Hospital for the use of their clinic.

IMPORTANT INFORMATION / INSTRUCTIONS:

- Deadline for receipt of registration for clinic: **Friday May 3, 2024.** (Email Mary at mary.mddk@gmail.com if you think your reservation may be late).
You MUST pre-register for this clinic to reserve appointments with the Doctors and their assistants.
- Confirmations will be via email. If you require a mailed confirmation, you MUST enclose a stamped, self-addressed envelope with this form.
With your confirmation will be additional information and instructions. **Confirmation times will be emailed or mailed on Monday, May 13, 2024.**
- You MUST enclose a copy of your dog(s) AKC Registration Certificate as well as a microchip or tattoo number for EACH dog.**
- We are offering anesthesia-free X-rays of hips and elbows for OFA evaluation or preliminary screening. If your dog is unable to be restrained on the day, you will be given a refund of the cost. **NO dogs over 80 lbs. for X-Rays.** An image of your dog's X-rays will be provided to you by email from Dr. Chris. All X-rays will be submitted to OFA. You will not be informed of the results at the clinic. Since forms for the X-rays must be filled out in advance, please be sure that you send a copy of your dog's AKC Registration with this registration so that we can have the OFA X-Ray form all filled out for you and ready for your signature when you check in at the Clinic. You will need to furnish your credit card information on the bottom of the form before the test for payment of the OFA fees since Dr. Chris will be transmitting the X-ray reports in to OFA after the clinic. **AGAIN, NO DOGS OVER 80 lbs. for the X-rays.**
- A one-time FREE ACVO CAER/CERF EXAM will be provided to any PWD that is 7 years or older (birth date on or before 5/18/2017).
- If there are any tests that you would like performed on your dog(s) other than the ones listed, please contact Mary (mary.mddk@gmail.com; 203-209-1346) and she will get back to you promptly with availability and pricing.**
